Press Release

Salaries Increase for CCRC Director of Nurses

Oakland, NJ, June 2010 -- The national average salary of Director of Nurses in Continuing Care Retirement Communities (CCRCs) increased 2.11% in 2010, according to the **2010-2011 Continuing Care Retirement Community Salary & Benefits Report**, just published by **Hospital & Healthcare Compensation Service (HCS)** in cooperation with the **American Association of Homes and Services for the Aging (AAHSA)**. The percent increase represents only those CCRCs that participated in both the 2009 and 2010 **Reports**.

Position	2009	2010
Director of Nurses	\$78,442	\$80,097

Nationally, the Director of Nurses position reported a 10.11 percent of bonus to salary, with the average bonus being \$8,323.

527 CCRCs participated in the 13th annual study and provided compensation data on more than 81,630 employees, covering 42 management and 40 nonmanagement positions. Findings are reported according to revenue size, total unit size, geographic region, state and county. The **2010-2011 CCRC Salary & Benefits Report** also includes 22 fringe benefits, turnover rates by department, and projected salary increases for 2010 to 2011.

The **2010-2011 CCRC Salary & Benefits Report** is available for \$295. In addition, the salary/hourly data may be purchased in Excel. To order online, visit the **HCS** website at www.hhcinc.com or call (201) 405-0075.

HCS also conducts and publishes a separate **Nursing Home Salary & Benefits Report** that will be available in late July, and an annual **Assisted Living Salary & Benefits Report**, which was released earlier this year. Those long-term care studies also are conducted in cooperation with **AAHSA**.

Hospital & Healthcare Compensation Service, founded in 1971, is recognized as the leader in national healthcare salary and benefits research. **HCS** conducts national and custom marketplace studies, publishing more than 12 specialized **Reports** each year. In addition, the firm consults with healthcare professionals across the nation to support the industry in the area of human resource management.
